

Be The Change

Newsletter

Congratulations to Navy for taking the champion, Maritime as the 1st runner-up, Air Force as the 2nd runner-up and Army as the 3rd runner-up. It was one of the best sports days ever and indeed - Unite, We Ignite!

Message From Principal

Assalamualaikum warahmatullahi wabarakatuh.

Welcome to IDRISSE International School!

All praises to Allah, we managed to wrap up this academic year despite a sudden learning transition as we are in the fight against COVID-19. Regardless of the challenge, we did a lot of activities and this could not have been done without the support from the dedicated students and parents.

I would like to thank our passionate teachers who always give their best for the students. I am impressed with the new initiatives that you brought throughout the virtual period. Not to forget, the management staff, cleaning staff and security guards for keeping the school in its best condition when everyone was home.

Dear family, thank you for all your support and hard work during this pandemic. May Allah reward you with the best rewards and ease you through any difficulties.

Julie Wong
School Principal

IDRISSI SPORTS DAY 2020

ECO AMBASSADOR!

Topic: **NEW DEAL FOR
AND NATURE**
MOBILISING YOUTH FOR 2030

To be the change, we have to start somewhere. For our Eco-Ambassadors, Sembang@WWF is one of their dream starting points in letting their voice be heard and echoed for a change. Congratulations to all Eco-Ambassadors of IDRIS, you have opened our eyes with real issues and we believe many others did and felt the call to take charge with you.

IDRISSI Virtual Youth Qari 2020 had its ups and downs, but it was a whole new milestone for us! The participants received a lot of good feedback: "I feel like I am watching Tanyalah Ustaz", "This is our future khateeb", and some mentioned that the senior students who participated were such great examples to the little ones. Congratulations to all top-scorers and participants!

Not to forget, to dear parents who were extremely supportive for making sure everything worked fine from home, to emcees for keeping the event moving, to all educators and staff for managing the backend and to beloved families who watched from home and made du'a for us. From the bottom of our hearts, thank you!

ONLINE LEARNING

IDRISSI successfully shifted to e-learning as soon as the school announced closure on 15th March. As the sudden spike of COVID-19 caused great worries since last week, we took our own initiative to close, realizing that it is a community's responsibility.

IDRISSI SPEAKER'S SERIES

We conducted a series of talk with the theme "Braving the new norm" to prepare the community for life post COVID-19.

IDRISSI SPEAKER'S SERIES 1

 HARMONIOUS
 LIVING IN MALAYSIA**

Prof Dato' Dr. Teo Kok Seong
President, National Council for Islamic Education,
 Malaysia (NCIE)

Saturday, 22nd August 2020 | 8pm - 9pm

Graduation Ceremony

Congratulations to our preschool graduates! As they were celebrated in an out-of-the-world graduation ceremony, it is our hope to see them keep standing at the center of the galaxy and shine like the stars they were that night. We will definitely miss them, but will surely see them around. 3, 2, 1... blast off to Primary 1!

LITTLE ASTRONAUTS

Who would have thought that our preschoolers could conquer the space? Guided by the crew leader and energetic preschool teachers as the space navigators, they had the chance to float around space, walk on the moon, stargaze and do experiments at the space lab - indeed the trip was out-of-this-world!

CROODSPLORES

Garnering positive feedback from parents, Croodsplorers-themed Amazing Friday was loved not only by the preschoolers but also by parents who came. Children not only had fun, but the activities also helped to develop their sensory, motor and creative skills.

Islamic Studies Day

Our Ustadhs, our Imam - not only academically but also spiritually. As our young learners reached the proper age of learning about prayer, they were also taught about how to take a wudhu' and perform a congregational prayer with their friends during this special day.

Fiction & Fantasy

We had an escape to the fantasy with our storytellers from KS1, dressing up and telling tales based on the theme "Fiction & Fantasy". The audience were entertained by their ability to deliver the story with confidence, and excellent pronunciation and intonation. Not to forget, the props and costumes. Congratulations to all winners!

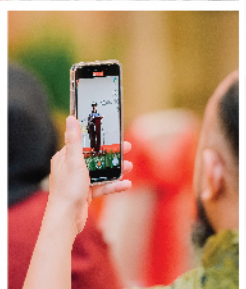

IGCSE Graduation Ceremony 2020

Rather than a typical graduation, to us, it felt more like a walk down memory lane that showed how the graduates have grown over the years in IDRISSEI, up till today. From the speech by our motherly principal, Principal Julie to the speech by each graduate that all came from the hearts, no one went home with dry eyes.

We were honoured to celebrate all the graduates with Prof. Dato' Dr. Noraini Idris, the Chairman of National STEM Movement, spending her time to speak and give the certificates of achievement to all graduates and awarded our top scorers, Danish and Zaynab the valedictorian and salutatorian honours.

Congratulations once again to all graduates, you will be missed so dearly.

Tree of Positivity Project

We believe every word is powerful. To spread uplifting spirit at school, we let students write a message on post-it notes, focusing on hope, restoration and transformation. The messages then blossomed into a big healing tree in IDRISSEI, resulting smiles on our community's faces.

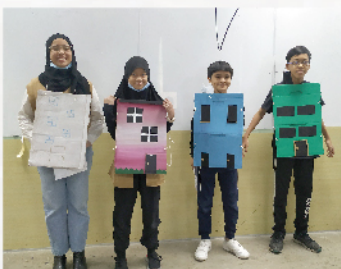

Learning Pathway Open Day

Gathering a number of international and local colleges and universities, IDRISSEI Learning Pathway Open Day never fails to provide the window for students to explore their dream courses and plan their future easily together with parents.

CAREER EXPLORATION DAY

Exploring dream careers is important to plan future pathways. During this event, students got to know the top universities that offer the course of their choice, draft a resume, and do a role-play for the career they wish to endeavour which help to give a clearer idea of what they need to focus on and later on helps them to secure a place in their first choice university and company.

Hall of Fame

We are proud to shout about the success brought by our students in different levels. Keep up the good work!
