Dear students, teachers and parents,

I would like to thank you all for your continuous support towards the school especially after two years of education being delivered on and off-campus. I hope that you enjoyed being reconnected and are now having a fun, restful summer break with your loved ones. All praises be to Allah, it has been a wonderful year!

IDRISSI SCHOOL @ EDUCITY ISKANDAR PUTERI

IDRISSI International School's expansion to EduCity Iskandar Puteri, Johor was launched by the Menteri Besar Johor, YAB Datuk Onn Hafiz Ghazi on 23 July 2022. Located at the Asia's first multi-campus education hub, this marked a new milestone for IDRISSE as a K-12 education gateway for the Southern region and the neighbouring countries like Singapore, Indonesia, Brunei and others. The first intake in September 2022 is now open!

2022
APEA ASIA PACIFIC
ENTERPRISE
AWARDS®
CORPORATE EXCELLENCE

Thank you Enterprise Asia for awarding us the Asia Pacific Enterprise Awards, in the Corporate Excellence category, as the recipient in the Education & Training sector. This milestone could not have been achieved without the hard work of our dedicated educators, staff, and not to miss, the continued support from all parents and students amidst the pandemic challenges. Thank you!

IDRISSI to DUBAI!

It was our great honour to represent Malaysia and be able to stand on a huge platform at Expo 2020 Dubai. Bringing another good news from the Middle East, IDRISSE will also welcome a new sibling in Qatar soon, going by the name Malaysia - Qatar International School. Stay tuned for more updates!

A Visit from MOE Maldives

It was lovely to have the Honourable Education Minister of Maldives, Dr. Aishath Ali and her entourage in IDRISSE International School, Setia Alam. Her heart-warming smile and personality naturally drew the students in and made the interaction throughout the tour all pleasant. Thank you for the visit!

STUDENTS ACADEMIC EXHIBITION

GOLDEN HERITAGE OF THE WORLD EXHIBITION

The Golden Heritage of The World Exhibition brought the rich heritage of Bangladesh, Bosnia, China, Costa Rica, Egypt, Germany, Greece, Indonesia, Japan, Mexico, Netherlands, Nigeria, Pakistan, Turkey, Vietnam and Yemen to life. All of the creations were made up of 100% recyclable materials. Thank you students, parents and teachers for making it happen yet again!

IDRISSI SPORTS DAY 2022

IDRISSI Sports Day returned after two years! The houses were named after the elements of nature such as Terra (Green), Ignis (Red), Ventus (Yellow) and Aqua (Blue). Congratulations to Aqua for winning first place and Ignis for the best marching performance! The students showed great resilience and sportsmanship throughout; indeed, they were all "Champions by Nature"!

Just Us

PICNIC CARNIVAL

THEME "BALIK KAMPUNG"

Having experienced the world of "no-touch" for so long, there was nothing like reconnecting ourselves back to earth and the people we love. Look at these lovely scenes captured at Pantai Cunang, one of our very first physical events post lockdown. Along the fun, around 30 rhus were planted as a gift from IDRISSI School to the local community there.

IDRISSI YOUTH Qari 2022

Finally, our Youth Qari Intra-School category this year was held physically. It felt great to bring back the real atmosphere of this event, where our homegrown reciters read and share their understanding of the Quran real-time. We also witnessed amazing recitations from Indonesia, Maldives, Sri Lanka, Yemen, Syria and more for the Inter-School category. Thank you for participating and see you next Ramadan!

Language Week

Book Parade is one of the most awaited highlights of our Language Week! It had been a while since we last did it and everyone went all out. We loved seeing the students' great confidence on the stage and runway, walking in the costumes inspired by their favourite movie and book characters. It was a very colourful and fun parade!

Saya Anak Malaysia

Despite the Malaysia Day celebration being held virtually, the students and teachers made sure nothing fell short. From the way they were beautifully dressed in traditional clothes and sang patriotic songs together, their energy and sincerity towards the country were felt as though no screens kept them apart. Good job to everyone!

EID, TEACHERS' & KINDNESS DAY

We had a cheerful Eid, Teachers' Day and Kindness Day celebration in one day. The students made the gifts themselves, delivered to the teachers – and spread kindness all over the school. With the theme –

**“Dear Teachers,
You Brighten Our Lives”**

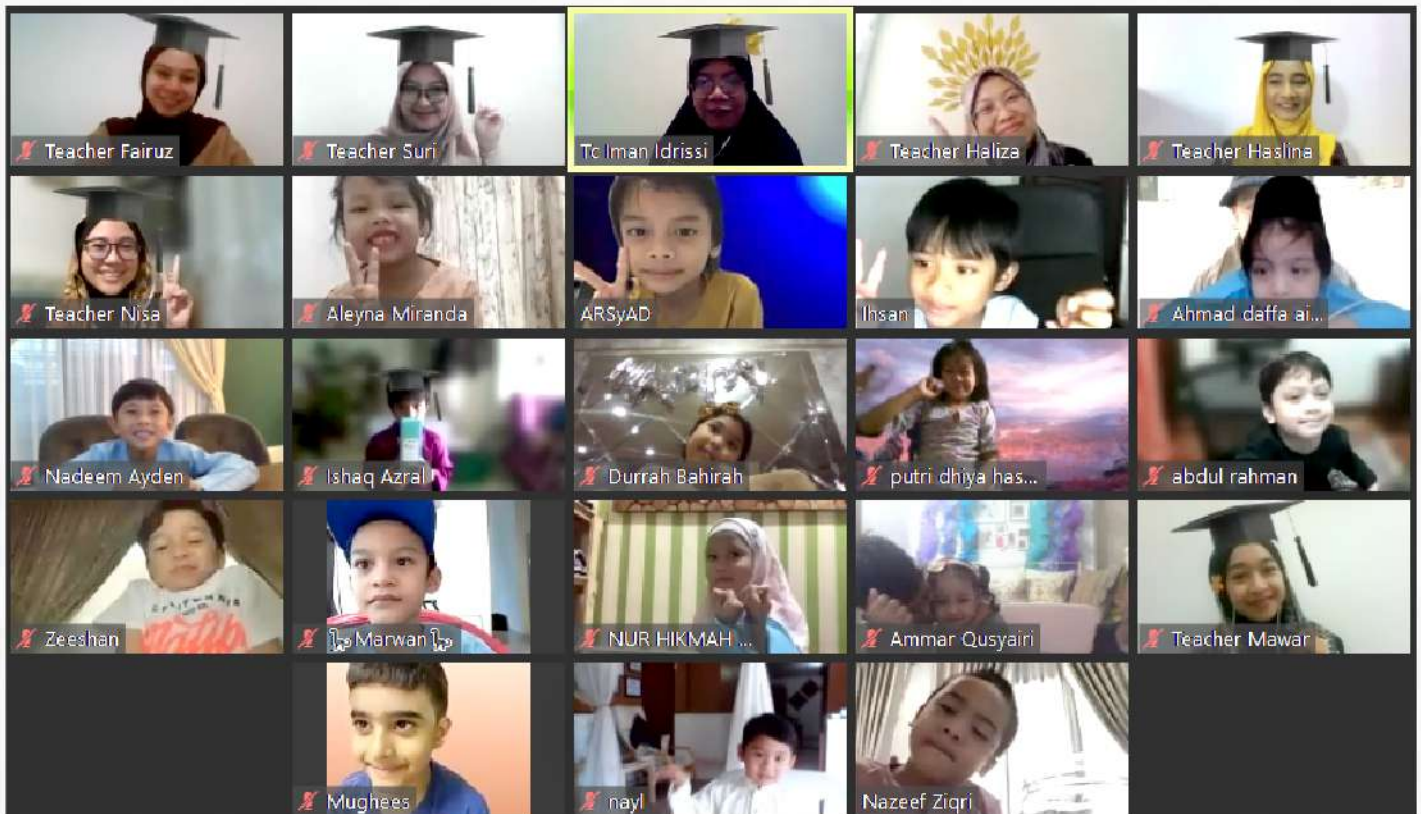

Most of the students wore something yellow to paint the message loud and clear. Well done, students!

PRESCHOOL — virtual — GRADUATION party

We would like to wish our heartiest congratulations to the children who graduated from IDRISSE Nature-Based Preschool this year. We are so proud of their progress and of course we hope what they learned in preschool will lead to another success in their next learning journey. See you in primary school, little ones!

YEAR 6

VIRTUAL GRADUATION PARTY

CLASS OF 2021

We would like to congratulate all the students of Year 6, Class of 2022 for graduating, which marked the end of their primary school journey in IDRISSI! We are very proud of the efforts they put in during the uncertain time and as a result, all of them pulled through and achieved above the international average scores for all subjects.

IGCSE 2021 GRADUATION CEREMONY

Congratulations to the Year 11 students, Class of 2021 on your graduation. We are super proud of all the hard work and dedication that they poured into their journey as the students of IDRISSEI School. Despite taking the examinations during the rise of COVID-19, their results were amongst the best in school's record. We wish them all the best for the next chapter of their lives!

Alumni Sharing Sessions

Our alumni always have great stories to tell and early this year, they came back to share some advice and tips to the juniors who sat for this year's IGCSE. That includes overcoming personal challenges, tips on getting scholarships, preferred courses and more. Thank you, dearest alumni for your kind words and helpful contributions!

Excursions

All praises be to Allah, we were given the chance to bring students for trips again! It was all thanks to the parents for their trust, students for their cooperation and teachers for the smooth arrangement, all of these were what made such amazing, worry-free experiences during the excursions. Again, students found delight being in places they had never been before.
