

GUESS THE PRICE

1. This game will have **three (3) rounds** in total.
2. Each round will begin with one (1) player from each homeroom, and the next round follows with the next player.
3. The third round will be the final round to determine the winner.
4. The host will click on the PowerPoint slide, and an item will start to appear alongside a brief description of the product.
5. Each representative/ player will be given the chance to guess the exact price (RM) of an item within 10 seconds by writing down the answer on a piece of paper.
6. The **closest person to correctly guess the price will get one (1) point** and player with most points wins the game.
7. Have fun & enjoy the game!
