

MAKE THE PERFECT

Ice Cream in a Bag

WITH T. SYAZA

RECIPE

ICE CREAM IN A BAG

DESCRIPTION

Making ice cream in a bag?
You got to be kidding me?
Yeah, you don't need a fancy
ice cream maker to make it
at home. All you need are a
few stuff and 15 minutes.

This activity involves a little
sensory play and learning.
Not to forget, it is also a good
workout for the arms!

Don't forget to add your
favourite toppings like
sprinkles or fruits!
