

# PICTIONARY

1. Each player is required to **prepare papers and pencils (coloured pencils/pens are encouraged)**.
2. The **players will be the ones drawing**, one at a time, and the **team mates will be the ones guessing** the correct answer.
3. When it's one homeroom's turn, other homerooms **MUST NOT** guess. If you do, you will not get any point.
4. Once the theme is revealed, the host will
  - i) mute the drawer,
  - ii) spotlight him/her,
  - iii) personal message him/her the word/phrase that he/she has to draw.
5. The drawer will be given **40 seconds to draw**. The time will start as soon as he/she starts drawing.
6. Once the drawing is put up, the **team mates have 30 seconds to guess** to correct answer.
7. Marks will be awarded for each correct answer. Winner will be determined based on the highest accumulated points.
