

# SCATTERGORIES

1. Each round will begin with one player from each homeroom, and the next round follows with the next player, and so on.
2. To begin each round, the host **will reveal the letter using pre- set letter** OR using the **letter spinner**.
3. Once the letter is revealed, **players have 20 seconds** to say the word that **BEGINS** with the letter revealed.
4. Articles (**A, AN, THE**) **will not be considered** to be part of the word. E.g. The Incredible Hulk will be considered 'I', not 'T'.
5. If players happen to mention the same thing simultaneously, mark will be awarded for both.
6. Players earn **one (1) point** for every correct answer.
7. Marks will be cumulative of all players in the group. The group with most marks wins the game.
